Dear Sir:

Badger Meter would like to indicate its support of WBE/MBE subcontractors and the purchase of materials and supplies from WBE/MBE vendors.

Currently, Badger Meter does in excess of \$100,000 in business with either women or minority business enterprises. Since many of these contracts are for consulting fees and general tools and machining supplies, it is difficult to assign a specific dollar amount to this particular bid. We are currently attempting to comply with your requirements for future bids.

It is hoped that our commitment to WBE/MBE subcontracting and this company's ongoing policy of utilizing WBE/MBE enterprises whenever possible will meet with your approval.

Sincerely yours,

A handwritten signature in dark ink, appearing to read 'Ruth L. Meyer', with a long, sweeping horizontal line extending from the end of the name.
